

“I Double Dog Dare You . . .”

Post 59 *Challenges you* and your post to a race.

The Wager - Loser, hosts dinner for the race attending posts, but at your losing Post.

So let's just say District 3 Commander Lucas Herring is in the race and he is First Out. Regardless of all other Post finishers, he's the official American Legion Post Loser. 😊 So for everyone else that races, we go to Post 10 in Barre to be served Dinner. We can talk dates and menus post-race time. So that's our challenge to you.

Now what's the race? The ENDURO 200 at Thunder Road!

Post 59 is putting in multiple cars, we may even make another fundraiser auctioning off a “Step in and Drive” chance, recommend you consider that too. Great fun and it was a great fundraiser for us 2 years ago.

So what do you say? Let Squadron Commander Topo Despault or myself, Tom Burrows, know if your game.

Let's have some fun and rub some fenders. You in, or are you Chicken? Or is chicken going to be for dinner? The race is slated for mid to late August according to track officials.

You've been challenged! Let's play!
