“Resolution 288, adopted at the 67th National Convention, of The American Legion and Resolution N.C 2-94, adopted at the 23rd National Convention of the Sons of the American Legion, calls for designating a POW/MIA Empty Chair at all official meetings of the Sons of the American Legion, as a physical symbol of the thousands of American POW/MIAs still unaccounted for, as a reminder for all of us to spare no effort to secure the release of any American prisoners from captivity, the repatriation of the remains of those who died bravely in defense of liberty and a full accounting of those missing.” Let us rededicate ourselves for this vital endeavor.

This Directory has been published by the Detachment of Vermont, The Sons of the American Legion. This directory is restricted for use by the Sons of the American Legion, Detachment of Vermont and may not be used for any other purpose except with permission of the Detachment Executive Committee.

Preamble to the National Constitution

Proud possessors of a priceless heritage, we male descendants of Veterans of the Great Wars, associate ourselves together as “Sons of the American Legion” for the following purposes:

To uphold and defend The Constitution of the United States of America;

To maintain Law and Order;

To foster and perpetuate a true spirit of Americanism;

To preserve the memories of our former members and the associations of our members and forefathers in the Great Wars;

To inculcate a sense of individual obligations to the community, state and nation;

To combat the autocracy of both the classes and the masses;

To make right the master of might;

To promote peace and goodwill on Earth;

To safeguard and transmit to posterity the principles of Justice, Freedom, and Democracy;

To consecrate and sanctify our friendship by our devotion to mutual helpfulness;

To adopt in letter and spirit all of the great principles for which the American Legion stands;

And to assist in carrying on for God and Country.
